3. Biography.

Since 2015, Red Hot Chili Peppers Experience has been bringing the unmistakable energy and sound of one of the world's greatest alternative funk rock bands to life.

What began on the pub circuit, has grown into a nationwide journey, with performances at major music venues and summer festivals that draw thousands of fans. Our passion for the Red Hot Chili Peppers has even taken us overseas, rocking crowds at rugby stadiums in Bahrain and Dubai.

With every show, we aim to capture the essence of the Red Hot Chili Peppers' legendary live performances, creating an unforgettable experience for fans old and new.

The band consists of vocalist Matty Smith as Anthony Kiedis, guitarist Jordan Hallett as John Frusciante, bassist Werner de Jong as Flea, and drummer Rick Nash as Chad Smith. We are all huge fans of the Red Hot Chili Peppers, providing an accurate replication of the band's unique sound and performance.
